Dimes For Drama

Quick Facts:

Dimes for Drama collections take place three times each year (October, January and April).

Each collection period will begin with distribution of a collection bag for each student to take home and an orange collection bucket that stays in the classroom. Students will bring collection bags home a week before the collection period. Students must return the collection bags (coins, paper money and checks are all welcome!), to the orange buckets in their classrooms. Make sure the student has included their name with their contribution.

Buckets will be collected at the end of the lunch period on the Friday of each collection week and donations will be counted by parent volunteers in the Stone House beginning at 12:30pm.

Donations turned in after the buckets have been collected will be counted for the next collection period.

After each collection period there will be a brief announcement to report the results and class participation levels.

Since its initiation in 2002, Dimes for Drama funds have provided for improvements to the Gryphon Theater including:

- Theater Seats
- Theater Lighting
- Microphones and Sound System
- Stage Improvements and More...!
